**Subject: Letter of Reference, D & H Construction**

**To Whom It May Concern:**

As the Executive Director of Bonita House, Inc., I hired D & H Construction to rehabilitate a four-plex our agency had purchased in Berkeley.

I found Jeff Halperin and his staff to be responsive and professional. They kept the site clear of debris during construction, and arranged for excellent subcontractors. They finished their work sooner than expected, and on budget!

I'm happy to recommend their construction services.

Sincerely,

Richard Crispino  
Executive Director
