

# Hasti Ahmadi (copy)

Assistant Project Manager

Juan is a dynamic and adaptable professional with over five years of experience in construction operations. Known for his consistent and self-motivated approach, Juan thrives in both team settings and independent roles, always leading by example with an unwavering work ethic. Whether juggling multiple projects or tackling high-pressure situations, Juan excels at staying focused and achieving company objectives. With a passion for operational excellence, Juan brings energy and dedication to every project, helping teams stay on track and deliver successful results.

As an Assistant Project Manager, Juan brings exceptional attention to detail, organization, and follow-through to each project. He manages project documentation, issues subcontracts and subcontractor change orders, and develops and maintains project schedules.
